Something different

Every week we do different activities at Hackney Shed.

If you don't like one of the activities, this is ok. Next, we will do something different

# What happens at Hackney Shed

Children's and Youth theatre Sessions happen at City Academy on Tuesday evenings.

If you are 7-11 you will come to Children's theatre from 6pm-7:15pm

If you are 11-16 you will come to Youth Theatre from 7:30pm - 8:45pm

When you arrive you will wait in the area with chairs. It looks like this:

You will tell **Júlia** you have arrived.

This is **Júlia**

When it is time to start **Vicki** or **Anna** will come to collect all the group from the canteen.

This is **Vicki**

This is **Anna**

**Vicki** and **Anna** run Hackney Shed

**Vicki** or **Anna** take you into the theatre space. It looks like this

Sometimes there will be seats out in the theatre. Sometimes they will be pushed back.

Children can put their coats on the coat racks just outside the space.

There are lots of different adults in a Hackney Shed session. You will be with a group of other children and an adult every week. Sometimes the groups will be the same for a while, sometimes the groups will change every week.

Sometimes you might want to leave the theatre space to use the toilet or because you need a break.

This is normally ok.

You must always ask an adult before you leave the room. It is good to try to ask Vicki or Anna if you want to leave the room.

If you ever feel worried or upset or unsure at Hackney Shed you can tell Vicki or Anna or Júlia.
